

INFINITY 30 YEAR LIMITED WARRANTY

1. INTRODUCTION

At Eva-Last Americas, we stand behind every product we sell. However, it is normal for all decking products to age over time. Aging is a common occurrence for a decking product that is exposed to sun, rain, or any elements of nature. Predicting the life of a decking product can be challenging since no two installations experience aging factors in the same way. Decking will age at different rates due to climate, UV index, quality of installation, usage, and many other factors that can cause aging. Eva-Last Americas has provided the Owner with this Limited Warranty, subject to the terms and conditions set out herein to give the Owner peace of mind in the event a manufacturing defect as outlined below. If, for any reason, the decking products show signs of failure, damage, or deterioration, immediately replace or repair such decking products to avoid potential safety hazards.

2. DEFINITIONS

2.1 The following terms and definitions are used in this INFINITY Limited Warranty:

- 2.1.1 "Owner" – the original registered owner (i.e. the registered title holder) of the immovable property where the INFINITY Decking has been installed ("the Owner's Property") at the time of the purchase and installation thereof;
- 2.1.2 "the INFINITY Products" - INFINITY Decking;
- 2.1.3 "Eva-Last Americas" – Eva-Last Americas LLC;
- 2.1.4 "Residential Application" – the installation of the INFINITY Products in a single family residence;
- 2.1.5 "Commercial Application" – the installation of the INFINITY Products other than on a single-family residence;
- 2.1.6 "Limited Warranty" - this INFINITY Decking Limited Warranty.

3. MANUFACTURING DEFECTS

For a period of **30 years** from the date of original purchase for Residential Application (and for a period of **15 years** from the date of original purchase for Commercial Application) Eva-Last Americas hereby warrants to, and in favour of the Owner, that under normal use and proper service conditions, the INFINITY Products shall be free from material manufacturing defects and shall not splinter, rot or suffer structural damage from termites or fungal decay.

4. FADE RESISTANCE LIMITED WARRANTY FOR RESIDENTIAL APPLICATION

For a period of **30 years** from the date of original purchase for Residential Application, Eva-Last Americas hereby warrants to, and in favor of the Owner, that the INFINITY Product's color will not fade from light and exposure to the elements of nature more than 5 Delta E (CIE) Units. While the INFINITY Product is designed to resist fading, Eva-Last Americas does not warrant the INFINITY Product to be fade-proof as no material is fade-proof when exposed to UV rays and other elements of nature.

5. STAIN RESISTANCE LIMITED WARRANTY FOR RESIDENTIAL APPLICATION

5.1 For a period of **30 years** from the date of original purchase for Residential Application, Eva-Last Americas hereby warrants to, and in favor of the Owner, that the INFINITY Products will be resistant to permanent staining resulting from food and beverage items typically present on a residential deck (e.g. mustard, ketchup, mayonnaise, barbeque sauce, soda, and coffee) spilled onto the surface of the INFINITY Product, or from mold and mildew naturally occurring in the environment.

5.2 However no claim under this stain resistant warranty will be entertained unless the Owner shall have followed the following directions -

- 5.2.1 within **1 week** of exposure of the food or beverage to the surface of the INFINITY Product or, in the case of mold and mildew, within **1 week** of the first appearance of the mold and mildew, the Owner shall have attempted to clean the affected area using the cleaning procedures outlined in the Eva-Last Americas Cleaning and Care Guide. (available at <https://www.eva-last.com/information-center/cleaning-and-care/>);

- 5.2.2 if the stain is still unreasonably visible after completing the cleaning procedures outlined in the Eva-Last Americas Cleaning and Care Guide, the Owner must then have had the affected area cleaned by a professional deck cleaner at the Owner's expense within **2 weeks** of exposure of the food or beverage to the surface of the INFINITY Product or, in the case of mold and mildew, within **2 weeks** of first appearance of the mold and mildew; and
- 5.2.3 if, after completing the directions in 5.2.1 and 5.2.2 above, the stain still remains unreasonably visible, the Owner must lodge a claim in writing (as more fully set out in the Warranty Claims Procedure in 8) within 30 days after the professional cleaning was completed.

- 5.3 Eva-Last Americas does not warrant that the INFINITY Product is stain-proof and does not provide warranty coverage from spilled food or beverage substances, or from mold and mildew, if the stained product is not promptly and properly cleaned as set out in 5.2 outlined above, and in accordance with the Eva-Last Americas Cleaning and Care Guide (available at <https://www.eva-last.com/information-center/cleaning-and-care/>). Additionally, because mold and mildew can settle and grow on any outdoor surface, including this INFINITY Product, the Owner should periodically clean and remove dirt and pollen from the INFINITY Product that can feed mold and mildew.

6. TRANSFERABILITY

Should the Owner sell, donate, bequeath and/or alienate the Owner's Property to a third party ("the Owner's successor-in-title") within 5 years from the date of original purchase, then this Limited Warranty shall be capable of a ONCE OFF transfer to the Owner's successor-in-title. To avoid any doubt this Limited Warranty is not capable of transfer after a period of 5 years from date of original purchase.

- 7.1.17 use of other sharp-edged tool. Such tools are not to be used to remove snow, ice, or other debris from the surface of the INFINITY Product.

7.2 This Limited Warranty shall not cover, and Eva-Last Americas shall not be responsible for, costs and expenses incurred with respect to the removal of defective INFINITY Product or components, or the installation of replacement INFINITY Product or components, including, but not limited to, labor, freight or taxes.
